Subject: (Shipment of eight RS-6 plastic schematic diagram cards, part number 464B274)

Dea: [redacted]

25X1

During the week of May 24, 1954, we shipped a total quantity of eight RS-6 equipments without plastic schematic diagram cards. At the time I asked you for approval to ship these sets without plastic cards it was estimated that we would not receive additional quantities of these schematics until sometime late this week. However, our supplier delivered sufficient quantities in time to prevent any large shipments of RS-6 equipments without them.

We are shipping under separate order a quantity of eight 464B274 schematic diagram cards which should be used with the following serial numbered RS-6 equipments:

7839	7843
7840	7844
7841	7846
7842	7848

We are not anticipating any more shortages of these cards for the RS-6 equipments and feel quite sure that we will be able to ship the balance of these equipments with cards. Thank you again for your consideration in authorizing these shipments without schematics.

Very truly yours,

25X1
